A Rose For Winter Vintage

ROSÉ - Nk'Mip Cellars

An unusually long and cold winter resulted in a later bud break – fully a month behind last year and a week or so behind a typical harvest Wet and cool weather continued into late May when we saw our first spike of heat that pushed the vines towards flowering in early June July and August were typically hot with virtually no precipitation

BELLA ROUGE CABERNET ROSÉ VINTAGE

2018 VINTAGE REPORT Plentiful winter rains gave the vines a healthy start to the 2018 growing season A warmer and drier than average spring hurried things along and early estimates indicated above average bunch numbers in most varieties Late spring and early summer were relatively mild resulting in good flowering and fruit set However, dry
